

**STATE OF MINNESOTA
DEPARTMENT OF COMMERCE**

**Bulletin 99-2
Dated June 4, 1999**

Attention: STATE FILING DEPARTMENT

Subject: Increase in Filing Fees for Insurance Policy Rates, Rules and/or Forms.

MN Statute 60A.14 Subd. 1 (c) (7).

The above statute has been amended by the 1999 Legislative Session. The current fee of \$50 will increase to \$75 effective July 1, 1999. The following procedures will apply in implementing this change:

1. Any filing letter received July 1, 1999 or later, regardless of the letter date, will be subject to the new fee schedule.
2. The amount of the filing fee will not be determined by the proposed "effective date" of the filed rates, rules, or forms.
3. In order to assure that your filing is not returned for additional fees, please allow for sufficient mailing time prior to July 1, 1999.

Please review Bulletin 96-3 for Property and Casualty filings and Bulletin 96-4 for Life and Health filings and substitute \$75 for \$50, and \$150 for \$100 wherever it appears. You may review the bulletins at the Department website: <http://www.commerce.state.nm.us/forms/policyanalysis.htm>

RATE SERVICE ORGANIZATIONS

In addition to the increase in the fees for filing insurance policy rates, rules and/or forms, the following fee will increase, effective July 1, 1999. Minn. Stat. 70A.14 licensing of Rate Service Organizations was changed. The fee for each license shall now be \$3,000 payable every three years effective July 1, 1999.
